RETURN TO SCHOOL
SAFETY SOLUTIONS FROM NBF

National Business Furniture is excited to be partnered with the **Oakland Schools Cooperative Contracts Network** representing AEPA Furniture Contract 018-D. NBF offers options to reduce the risk of cross contamination by offering personal protection products such as sanitizer dispensers, sneeze guards and space dividers – just to name a few. These products will be essential to ensure the comfort, safety and health of each student upon their return to the classroom.

Contact your local National Business Furniture sales rep today for free design services, catalogs, quotes, or orders.
