

SPARK CURIOSITY WITH iSPROWT!

Something **NEW** is coming to Pitsco!

Pitsco is so excited to introduce you to [our NEW partner, iSprowt!](#) This partnership provides you with EIGHT themed, all-inclusive 10-packs written to specific NGSS standards!

iSprowt's hands-on science kits engage and inspire elementary learners using FUN phenomena-based lessons and experiments. Your students will become scientists as they follow along in their individual workbooks to discover Earth science, chemistry, and outer space!
