

Spring into Creative Action with BLICK Art Materials

All materials may be purchased from BLICK Art Materials under AEPA contract. If ordering directly from BLICK, remember to enter promo code **QD20AEP** during checkout.

Use new art materials with recycled leftovers to bring a fresh perspective to creativity!

Check out these BLICK lessons that take advantage of leftover items for a true “Spring Cleaning” of the art room!

Trash Landscape

Turn discarded waste into a colorful landscape with the use of metallic acrylics!

Scan for a detailed lesson plan

Surreal Hand Creatures

Using new and old craft materials, children transform a tracing of their own hand into fantastic flora and fauna creations!

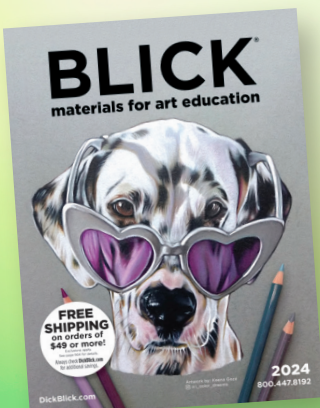

Scan for a detailed lesson plan

Upcycled Tissue Vase

Old plastic cups and bottles become durable, watertight decorated containers for plants and flowers!
