Dear Andrew:

Oakland Schools has awarded the OCSPPO Plastic Trash Liners IFB 18.0014 to the following companies: Apac Paper & Packaging, Central Poly-Bag, Interboro Packaging Corporation & Nichols Paper & Supply.

The contract that is currently in place expires February 29, 2020 completing the second year of a possible three year term of contract. This letter serves to extend your services and pricing until February 28, 2021. If your company is not in agreement, please contact my office.

As one (1) of the awarded vendors, Central Poly-Bag will be a preferred vendor of the Districts and the Districts will have the right, but not the obligation, to contract with Central Poly-Bag to purchase those items as identified in the attached spreadsheet at the prices and on the terms and conditions set forth in the IFB. Please be advised that all contracts, if any ensue, will be with the Districts directly. This bid award will be extended to all school districts in Oakland County and surrounding districts. This includes all private and public schools. The bid award will be posted at [www.cooperativecontracts.com](http://www.cooperativecontracts.com) for districts to review.
