Key capabilities

- ✔ Work order management
- ✔ Preventive maintenance management
- ✔ Facility and event scheduling
- ✔ Technology ticketing and asset management
- ✔ Capital budget planning

About OSCCN

Association of Educational Purchasing Agencies (AEPA) is a national cooperative of education purchasing professionals representing lead agencies in their respective states. AEPA contracts are bid competitively and tailored to meet each member state's specific legal requirements. Oakland Schools is the Michigan member of AEPA. In partnership with AEPA Oakland Schools hold a cooperative contract with Facilities Management Express (FMX). When calling FMX for a quote refer to the AEPA contract #024-D for discount pricing.
