SECTION I: OAKLAND COUNTY SCHOOL PURCHASING OFFICIALS PROGRAM OVERVIEW

The Oakland County School Business Officials (the “OCSBO”) is an organization comprised of many business officials of the public school districts, public school academies and private schools in Oakland County, Michigan. The OCSPO is a cooperative of those public school districts; public school academies and private schools located in and around Oakland County, Michigan that choose to participate and such participants are listed below.

The OCSPO, through the authority granted to it by each of its Members, combines the requirements for selected supplies, materials and equipment of its Members into cooperative invitations for bids, in an effort to secure the selected supplies, materials and equipment in a cost-effective manner for all its Members. Oakland Schools, the intermediate school district for Oakland County, Michigan, acts as the liaison between the OCSBO and the OCSPO and issues the invitations for bids for selected supplies, materials and equipment desired by its Members, on behalf of, and as a service for, the OCSPO. The Members will have the right, but not the obligation, to purchase the supplies, materials and equipment listed in this IFB at the prices contained in the Bid of the selected Bidder(s) and under the terms and conditions contained in this IFB. The selected supplies, materials and equipment listed in this IFB address a wide variety of needs, dictated by the Members; all supplies, materials and equipment listed in this IFB may not be purchased by each Member. Each Member reserves the right to develop product specifications and has the option to participate in the evaluation, determination, selection and award of all Bids. Any contracts which stem from this IFB will be entered into with the individual Members and shall incorporate by reference all of the terms and conditions contained in this IFB.

The OCSP0 reserves the right in its sole discretion (for this and the other provisions of this IFB) to accept or reject any or all Bids in whole or in part with or without cause. The OCSP0 also reserves the right to waive any irregularity or informality in any Bid, and the right to award the contract to other than the lowest Bidder. The OCSP0 reserves the right to request additional information from any or all Bidders.

10. VERBAL REPRESENTATIONS

Part of the IFB preparation may have included discussions with selected prospective Bidders; however each Bidder shall prepare its Bid based only on the information contained in the IFB, notwithstanding any information that may have been previously provided. A prospective Bidder noting any inconsistency between the information contained in the IFB and any information previously provided to it should request clarification (refer to Section II, Number three (3), Bid Clarifications). 15. VOLUNTARY ALTERNATES

Bids are requested in accordance with the detailed specifications of this IFB. Voluntary alternates, which, in the Bidder’s judgment will result in a better or equally satisfactory product at a lower cost, are allowed. Such alternates are to be provided in the Alternate columns for that item. Samples and complete written specifications or detailed product information **MUST** be provided, in order for consideration of the proposed alternates. **Submission of voluntary alternates cannot be used to make you low bidder.**

16. BRANDS

Whenever any supplies, material or equipment are specified by patent or proprietary name or by the name of the manufacturer, unless stated differently, such specification shall be considered as if followed by the words “or acceptable equal,” whether or not such words appear. The Bidder may offer supplies, material or equipment with equal or better qualities and performance in substitution for those specified which it considers would be in the Members’ interest to accept. Bids are invited for approved equivalent items that are equal in quality and meet the detailed requirements outlined in the specifications of this IFB. Any such offers shall be indicated as an Alternate on the Bid Proposal Pricing Form for consideration with the submission of the Bid, and the Bidder shall include sufficient data which, together with any other data the OCSPO may require. If a brand/manufacturer other than that specified is part of the Bid, a written specification or detailed product information should be submitted in order for that particular product to be considered by the OCSPO.

OCSPO Tires IFB #18.0019

18. PRICE MATCH

Any Bidder that is NOT awarded by the OCSPO as part of this IFB may not contact any participating OCSPO Member and directly match or underbid the contract pricing of the awarded vendor(s). 3. UNIT OF MEASURE

Items shall be quoted by offering a price based on the standard unit of measure listed in the specifications. In the event that the item's unit of measure in the specifications is different from the standard package offered by the bidder, the Bidder shall present the packaging configuration that the item is sold in the "Pack Size" field and break out the pricing to correspond to the unit of measure in the specifications (i.e. per case, per each, etc.) in the "Equivalent Price" field. For example: the specification calls for 24-12 oz bottles per case, but the bidder sells it in a 20-12 oz bottle case; bidder would indicate: a) the price per case in the price field (as sold), b) "20/12 oz bottles" in the "Pack Size" field, and c) compute the cost per case if vendor sold as specified for the 24-12 oz in the "Equivalent Price" field. (OCSP0 Note: This will require bidders to provide the base unit price in a new field).

4. PRICES

Bidder shall only bid new (not used or refurbished) items only. Prices submitted shall be held firm through the duration of the contract as indicated in the Specifications & Special Provisions section. Bidders will be held responsible for their Bid price(s). Should the contract be renewed/extended for the additional years, pricing will be negotiated with the Bid Chair of the OCSP0 provided that such escalation in price shall not exceed the percentage escalator specified on the Pricing & Catalog Discount Proposal Form. All price increases must be justified with documentation from manufacturers. The OCSP0 is not responsible for any unexpected or unusual cost increases.

5. SHIPPING COSTS

Prices bid for all categories MUST include total freight, insurance and delivery charges to the ordering destination ("FOB Destination").

6. DELIVERY

Invoices must reference Member purchase order numbers and be mailed to the Accounts Payables Departments at each respective school district. Payment will be made within thirty (30) days after receipt of invoice. Vendor shall maintain all records and documentation regarding payment for at least three (3) years following the date of final payment from school district.

Each Member will issue its own purchase order/contract detailing specific delivery instructions and will make payment for its orders. 15. CONTRACT TERMINATION

Oakland Schools may terminate this Contract with or without cause upon thirty (30) days prior written notice to the Vendor. For purposes of this Contract, the term "Cause" shall mean: the failure by the Vendor to comply with any of the material terms of this Contract after being given written notice of such failure by Oakland Schools and the failure to cure such condition, and provide a written response to Oakland Schools detailing how it was cured and what steps are being taken to prevent the failure from occurring again, within fourteen (14) days after receipt of such notice. Vendor will be paid only that amount which has been incurred for work completed up to the date of termination. Vendor will not be eligible for any anticipatory profits or fees for future work beyond the termination date of this Contract. All notices should comply with Section Thirty-one (31) of these General Contractual Terms & Conditions.

16. EQUAL EMPLOYMENT OPPORTUNITY/ANTI-DISCRIMINATION

The Vendor hereby agrees to comply with all applicable federal, state and municipal equal opportunity and anti-discrimination guidelines/regulations, and executive orders and covenants that neither the bidder nor any subcontractors will discriminate against an employee or applicant for employment with respect to hire, tenure terms, conditions or privileges of employment, or in a manner directly or indirectly related to employment, because of race, color, religion, national origin, age, sex, height, weight marital status or disability in its programs, services, activities or employment.
