

NEW ARRIVALS

Milwaukee Pencil Reamer #88055

The Milwaukee® Reaming Pen provides easy deburring of copper tubing and PVC. The tool is constructed with an all-metal design for durability through demanding jobsite use. The blade is heat treated and black oxide coated for extended life. A slide resistant clip allows easy storage in the user's pocket or tool bag for quick access.

Milwaukee Stubby Ratchets

- #88056 – 3/8" Drive, 5" Ratchet
- #88057 – 1/4" Drive, 3" Ratchet

These ratchets feature a slim-profile head and flush directional lever combined with the stubby handle length, allowing access to work in tighter spaces. They offer 4° of arc swing for increased accessibility. The all-chrome finish makes these ratchets easy to clean

- 90 tooth design
- Chrome vanadium steel

BEST FEATURED ITEMS

Milwaukee Dipped Gloves Cut Level 3

#99154160 – L
#99154161 – XL

These Cut Level 3 Nitrile Dipped Gloves are constructed with a 15-gauge knit for better dexterity when handling small objects, without sacrificing durability or protection. They feature a reinforced nitrile coating between the thumb and index finger for added durability in high wear areas. Nitrile Comfort Web Grip gives you secure grip while the SMARTSWIPE™ fingertips & palms provide full access to touchscreen devices without removing the gloves. **pg. 20-5**

- ANSI/ISEA 105-2016 Cut Level 3
- Color-coded wrist band and back of hand logo for easy cut level identification.

Applications:

- Demolition
- Material Handling
- High Dexterity Applications
- General Work
- Oily & Wet Conditions
