

ONE INSTRUCTOR | ONE CLASSROOM | A WORLD OF POSSIBILITIES

Paxton/Patterson Labs delivers college and career readiness for elementary, middle, and high school students. Through hands-on, project-based, career-connected learning, our labs help students discover their interests, aptitudes, and future opportunities. Students build practical skills for post-secondary success while experiencing a variety of career pathways, including STEM, health science, and construction.

CAREER DISCOVERY
LABS    

LEVEL 1 • AWARENESS
