

# School supply kits

## made just for your district

Give students everything they need to start the year off right in one compact kit. **Quill is proud to partner with VARC** to bring school districts a custom school supply kit solution.

*Wow, students  
will be set!*

### Customizable

We'll work with you to select just the right supplies from the biggest back-to-school brands. Then we'll help you decide between backpack and tote options, and find ways to include your school's logo.

### Convenient

Kits are an easy way for students to get exactly what they need. Whether your district decides to give them away or charge families a reasonable fee, parents and teachers alike will appreciate the simplicity.

### Cost-effective

Our team will find you the best pricing on top brand school supplies. Plus, when you choose 10 items or more for your kits, we'll waive the kitting fee.
