

# Nationally Bid. Locally Awarded-AEPA

**Take advantage of AEPA to streamline and simplify the purchasing process for your school.**

### What is AEPA?

The Association of Educational Purchasing Agencies (AEPA) is a national cooperative of education purchasing professionals representing lead agencies in their respective states. Currently, AEPA consists of 28 member states who craft contracts and bids competitively that are tailored to meet each state’s specific legal requirements.

## Our Promise

We are focused on supporting the physical, mental and emotional health of students so that all can learn and perform to the best of their abilities.

## Who is School Health?

We are a national, full-service provider of health supplies and services to health professionals in educational settings from pre-school to college. We collaborate with customers and are an advocate for the health and wellness of those entrusted in their care. At School Health, we maintain the integrity in each of our interactions by always keeping our mission and value statements in mind. Satisfy your bid requirements by ordering through the AEPA award in your state!

### MICHIGAN

The AEPA member in Michigan is Oakland Schools.

### Oakland Schools Cooperative Contracts Network

The Oakland Schools Cooperative Contracts Network (OSCCN) is a FREE comprehensive listing service of cooperative bids/contracts available to organizations in the state of Michigan. The goal of OSCCN is to save time and money by providing more choices in cooperative purchasing. This service, previously available to Oakland County districts only, is now available to public schools, private schools, charter schools/public school academies, colleges, universities, other post-secondary institutions, city, township, village government, county, state government agencies and non-profit organizations in Michigan.
