

# EDUCATION

From K-12 schools to higher education facilities, Staging Concepts can bring your academic venue to the head of the class with a high quality indoor or outdoor solution.

Staging Concepts designs and customizes staging solutions to perfectly meet the needs of your academic facility. We specialize in building modular stages for theaters, auditoriums and graduation ceremonies, as well as equipment for sports stadiums and arenas. Our equipment is of the finest quality, and designed for efficient installation. Academic theaters, K-12 and collegiate sports venues, and higher learning facilities all demand durable and high-quality equipment for their venues, and Staging Concepts perfectly fulfills this need.

## QUALITY

Because our in-house design team consists of experienced engineers, we have the expertise to produce superior products.

## DURABILITY

We have a proven track record of more than 30 years of manufacturing products that are designed to last.

## CUSTOM

Staging Concepts is known for its ability to come up with creative solutions for any facility or venue needs.

## FULL SERVICE

We guarantee full service in budgeting, custom drawings, manufacturing, project management, and installation.

## INTERNATIONAL

We have the capability to deliver projects worldwide. We provide superior customer service to clients internationally.
